Android Power!

XT-2614Q

Innovative Android POS Terminal

XT-2614Q is POSIFLEX answer to the raising demands for the Android based POS terminal. Featuring a 14" wide screen display, true-flat PCAP touch that supports multi-touch, energy efficient ARM based processor and various I/O expansions in a beautifully crafted body, and couples with Android 4.4 Operating System, POSIFLEX XT-2614Q sets a new standard for the entry level POS.
